

## Wyoming Employment and Payroll in Second Quarter 2019: Continued Growth in Construction

In recent months, Wyoming's unemployment rate has remained low and job growth has continued at a moderate pace. This report, which focuses on employment and wage growth between second quarter 2018 and second quarter 2019, provides details by industry and county.

From second quarter 2018 to second quarter 2019, Wyoming employment rose by 5,051 jobs (1.8%) and total payroll increased by \$171.0 million (5.3%). More than half of the job gains in second quarter occurred in the construction sector, which grew by 2,835 jobs. Job growth was also seen in professional & business services (613 jobs), wholesale trade, transportation, & utilities (588 jobs), mining (including oil & gas; 506 jobs), manufacturing (467 jobs), and leisure & hospitality (272 jobs). Employment fell in retail trade (-467 jobs), information (-189 jobs), and other services (-166 jobs).

Converse County added 1,415 jobs (24.3%) and its total payroll rose by \$24.3 million (31.3%). The construction sector gained approximately 800 jobs, and smaller job gains were seen in transportation & warehousing, administrative & waste services, and professional & technical services.

Laramie County gained 837 jobs (1.8%) and its total payroll increased by \$28.0 million (5.3%). The largest job growth occurred in construction, transportation & warehousing, accommodation & food service, wholesale trade, and manufacturing.

Natrona County's employment grew by 509 jobs (1.3%) and its total payroll increased by \$31.3 million (6.7%). Strong job growth was seen in mining (including oil & gas), manufacturing, transportation & warehousing, construction, wholesale trade, and professional & technical services. Job losses occurred in retail trade, administrative & waste services, and health care & social assistance.

Campbell County added 373 jobs (1.5%) and its total payroll rose by \$11.0 million (3.1%). Large job gains occurred in transportation & warehousing, wholesale trade, mining (including oil & gas), manufacturing, and accommodation & food services.

Sweetwater County's employment rose by 348 jobs (1.6%) and its total payroll increased by \$15.8 million (4.8%). Job growth was seen in construction, health care & social assistance, transportation & warehousing, and manufacturing.

Table: Wyoming Covered Employment, Total Wages, & Average Weekly Wages by County, Second Quarter 2018 & 2019<sup>a</sup>
