

# Inside ANSWERS

The screenshot shows the homepage of the Wyoming ANSWERS website. At the top, there is a banner with the Wyoming state logo and the word "ANSWERS" in large white letters over a scenic background of mountains and a lake. Below the banner, a navigation bar contains links for Home, My ANSWERS, Career Center, Labor Market Info, and Download Data. The main content area is divided into three columns. The left column contains a search bar, a "GO" button, and a list of navigation links including "Advanced Search", "Tour", "FAQs", "Links to Colleges", "Contact Us", and "Links to Related Sites". Below these links is a registration section with fields for "Username:" and "Password:", a "LOGIN" button, and a "Forgot Password?" link. The middle column features the "Department of Employment, Research & Planning" logo and a welcome message: "Welcome to ANSWERS! ANSWERS is your link to the most up-to-date Wyoming Labor Market Information. You can now access most of our data without waiting for a publication to be printed. Our interactive web site allows you to create tables containing as much, or as little, information as you need." Below this is a section titled "Trying to find R&P's publications or news/press releases?" with a "Click here" link. Further down is a section titled "You can use ANSWERS without registering - but registering will save you time and effort!" with a brief explanation. At the bottom of the middle column is a "Quick Links" section with the "Research & Planning main web site" link. The right column is titled "Looking for ANSWERS?" and lists several links: "Employment and Earnings", "Local Area Profile", "Median Household Income", "Population - U.S., Wyoming, MSA, and County", "Labor Force (i.e., unemployment rates) - U.S., Wyoming, or County", and "Wages by occupation - U.S., Wyoming, MSA, or Region". Below these links is a section titled "What's Not on ANSWERS" with a brief explanation.

### Educational Services in FREMONT COUNTY

NAICS: 611000  
Industry Level: 3  
Division: 61

Industries in the Educational Services subsector provide instruction and training in a wide variety of subjects. The instruction and training is provided by specialized establishments, such as schools, colleges, universities, and training centers. The subsector is structured according to level and type of educational services. Elementary and secondary schools, junior colleges and colleges, universities, and professional schools correspond to a recognized series of formal levels of education designated by diplomas, associate degrees (including equivalent certificates), and degrees. The remaining industry groups are based more on the type of instruction or training offered and the levels are not always as formally defined. The establishments are often highly specialized, many offering instruction in a very limited subject matter, for example ski lessons or one specific computer software package. Within the sector, the level and types of training that are required of the instructors and teachers vary depending on the industry. Establishments that manage schools and other educational establishments on a contractual basis are classified in this subsector if they both manage the operation and provide the operating staff. Such establishments are classified in the educational services subsector based on the type of facility managed and operated.

### Find Employers

Find an employer by using the **keyword search** feature or select from the **alphabetical list**.

- Keyword Search:** Enter an employer name or the first several letters of an employer name. Then select a geographic area and click on the "Find Employer" button.
- Alphabetical Listing:** Click on the first letter of the business name.

*Note: When using the keyword or name search, using fewer letters is often more successful. (example: "auto" instead of "automobile")*

Go to “Download Data” and to “Employment and Earnings.”

The screenshot shows the homepage of the Wyoming ANSWERS website. At the top, there is a banner with the Wyoming state logo and the word "ANSWERS" in large white letters. Below the banner is the text "A National and State Workforce and Employment Research System". A navigation bar contains links: Home, My ANSWERS, Career Center, Labor Market Info, and Download Data. A red arrow points to the "Download Data" link. Below the navigation bar is a search box with a "GO" button and an "Advanced Search" link. On the left side, there are links for "Tour", "FAQs", "Links to Colleges", "Contact Us", and "Links to Related Sites". Below these are fields for "New User? Sign Up.", "Username:", "Password:", and a "LOGIN" button, along with a "Forgot Password?" link. The main content area features a "Welcome to ANSWERS!" message from the Department of Employment, Research & Planning, explaining that the site provides up-to-date Wyoming labor market information. A red arrow points to the "Employment and Earnings" link in a dropdown menu that is open over the navigation bar. The dropdown menu lists various data categories: Consumer Price Index, Current Employment Statistics, Income, Industry Employment Projections, Employment and Earnings, Occupations by Industry, Labor Force Statistics, Occupation Employment Projections, Wages, and Population. Below the main content, there are links for "Median Household Income", "Population - U.S., Wyoming, MSA, and County", "Labor Force (i.e., unemployment rates) - U.S., Wyoming, or County", and "Wages by occupation - U.S., Wyoming, MSA, or Region". At the bottom, there is a "Quick Links" section and a "What's Not on ANSWERS" section, which states that the site is the best place to find up-to-date Wyoming labor market information but that some topics are only covered on the main website.
